

Judging Criteria iidex2018

- STAFF INVENTOR
- YOUNG INVENTOR: POSTGRADUATE

| No | Criteria |
|---|---|
| 1. Originality of the Invention / Innovation / Design | |
| | Novelty / Uniqueness |
| | Inventiveness |
| 2. Applicability of the Invention / Innovation / Design | |
| | Relevance in solving the problem (s) concerned |
| | Contribution towards social benefit |
| 3. Commercial Potentialities | |
| | Market potential of the Invention / Innovation / Design |
| | Status of the Invention / Innovation / Design |
| 4. Presentation and Demonstration of the Invention / Innovation / Design | |
| | Knowledge and presentation |
| | Poster Display |
| | Booth Exhibition |
| 5. Academic and Intellectual Property Recognition | |
| | Publication or prior exhibition |
| | Status of Intellectual Property Right (IPR) |

*Please provide/display all related evidence during exhibition

- STAFF: OPEN CATEGORY
- YOUNG INVENTOR POSTGRADUATE: OPEN-CATEGORY

| No | Criteria |
|---|--|
| 1. Originality of the Invention / Innovation / Design | |
| | Novelty / Uniqueness |
| | Inventiveness |
| 2. Applicability of the Invention / Innovation / Design | |
| | Relevance in solving the problem (s) concerned |
| | Contribution towards social benefit |
| 3. Commercial Potentialities | |
| | Status of the Invention / Innovation / Design |
| 4. Presentation and Demonstration of the Invention / Innovation / Design | |
| | Knowledge and presentation |
| | Poster Display |
| | Booth Exhibition |
| 5. Marketability of the Invention / Innovation / Design | |
| | Market potential |
| | Market spread |
| | Affordability |
| | Marketing strategy |

*Please provide/display all related evidence during exhibition

YOUNG INVENTOR: UNDERGRADUATE

| No | Criteria |
|---|--|
| 1. Originality of the Invention / Innovation / Design | |
| | Novelty / Uniqueness |
| | Inventiveness |
| 2. Applicability of the Invention / Innovation / Design | |
| | Relevance in solving the problem (s) concerned |
| | Contribution towards social benefit |
| 3. Commercial Potentialities | |
| | Status of the Invention / Innovation / Design |
| 4. Presentation and Demonstration of the Invention / Innovation / Design | |
| | Knowledge and presentation |
| | Poster Display |
| | Booth Exhibition |
| 5. Marketability of the Invention / Innovation / Design | |
| | Market potential |
| | Market spread |
| | Affordability |
| | Marketing strategy |

*Please provide/display all related evidence during exhibition

JUNIOR INVENTOR: SCHOOL

| No | Criteria |
|---|--|
| 1. Concept & Project Preparation | |
| | Concept, preparation, application and collaboration |
| 2. Product Exhibition | |
| | Novelty and inventiveness of the product |
| 3. Commercial Potentialities | |
| | Commercial potential / cost and academic recognition |
| 4. Documentation of Research | |
| | Research Perspectives |
| 5. Presentation | |
| | Display Presentation |

*Please provide/display all related evidence during exhibition
